

# RIZKYA PERMATA IRYANI

Tangerang Selatan, Indonesia | +62 857 6000 0712 |  
[rizkyapermata.iryani@gmail.com](mailto:rizkyapermata.iryani@gmail.com) | <https://www.linkedin.com/in/rizkyapermata>

As a Developer for Smart System with under a year of experience, I specialize in building and integrating smart applications and embedded systems with sensor and actuator interfacing. My skills include IoT system development, mobile and web application integration, and smart device programming. I am knowledgeable in embedded system design, IoT protocols, and real-time data processing. Committed to continuous learning, I stay updated on the latest technologies in smart systems and IoT. I am eager to contribute to solving IoT challenges and developing innovative smart solutions for your organization.
